

Instructions

There is 9 layers to it the 12 hour clock

1. 12 hour clock with 5 minute
2. 15 minute clock
3. 24 hour clock
4. 12 hour clock but 24 hour clock
5. 6 hour unit
6. 12 hour and 60 minute grid 3 by 4 grid
7. same grid but 2 by 3
8. 45 minute group
9. 24 hour line

How it works for low energy the 24 hour line which is bottom far right grid

. Extra low energy one is the top far right corner . 6 hour unit

If over whelmed look at the 2 by 3 grid

If you need transtion time you look at the 3 by 4 grid and look down and it shows the 15 minute transtion time.

45 minute if you look up for mentally knowing to transition.

How it works. You look at the other page and then each paper show you how to do it.

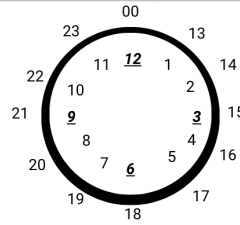

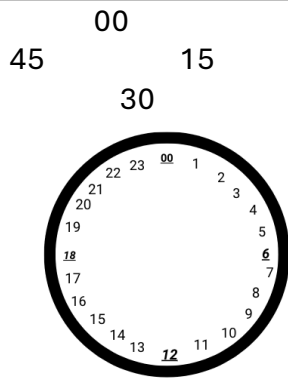

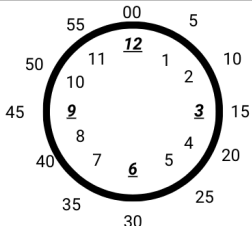

In top right is 6 hour unit

Bottom right 24 hours in line

Bottom middle left is the next 30 minute

Bottom left far left. It shows the hours and the minkbkbkute. The hours is left and minute is right. To know the next 45 minute look up . Next 15 minute look down for minute.
